Dear Sir:

In response to the Restriction Requirement mailed October 20, 2003, and received today, October 23, 2003, the applicant respectfully elects Species I including claims 1-5, 7-15, 18, 20, 21, 24-27, 29-40, 45, 46, 49-52, 55, 58-60 without traverse. The Restriction Requirement does not identify into which species claims 42 and 43 fall; as such, the applicant presumes that these claims fall into the elected species.
